20 April 2016

AWE Burghfield Flood Alleviation Scheme

Dear Resident

From Sunday 24 April an essential road closure will be in force along James Lane, Burghfield for an estimated nine week period. The closure has been requested through the local council, West Berkshire, by AWE to support the completion of flood prevention work at AWE Burghfield.

Road access will be maintained from the Burghfield Community Sports Association (BCSA) to its sports pitches during this time. Drivers will see diversion signs in place which will divert them on a different route while this essential works takes place.

The plan has been designed in full consultation with the Environment Agency and will have no adverse environmental impact on land surrounding AWE Burghfield.

AWE will ensure every effort is made to minimise the impact of construction work on the local affected community and protected wildlife habitats.

Thank you for your patience during this period of disruption. AWE regrets the inconvenience this closure may cause you. If you have any queries please contact us on CommunityandSchools@AWE.co.uk or on 0118 98 55888.

Yours sincerely

Catherine Lynagh
